

Creating Your Account from a Registration Link*

Your club is using the brand-new version of GotSoccer's software.

GotSport is "Single sign-on" platform. This will allow a user to log in with a single ID and password to access any related roles that otherwise may appear to be independent. In other words, one user account can be used to access all children, teams, or administrative roles throughout the GotSport regardless of the number organizations or even sports.

It is important to know that you **MUST** create your new **GotSport User** account in order to proceed the with the registration.

If you do not have an account, from the screenshot below, click on "CREATE AN ACCOUNT" at the bottom of the screen to start creating your user account.

The screenshot shows a registration page for "Dragons Fall 2020-2021 Registration". The page has a yellow background. At the top left, there is a logo for "GSA" (GotSoccer Association) and the text "Dragons Fall 2020-2021 Registration". Below this, there is a link for "Registration Information" and the dates "20/21 (2020-08-01 - 2021-07-31)". In the center of the page, there is a white login form. The form has two input fields: "Email/UserID" and "Password". Below the fields is a blue button labeled "Log In". Underneath the button is a link for "Forgot Password?". At the bottom of the form, there is a link that says "Don't have an account? CREATE AN ACCOUNT". This link is highlighted with a red rectangular box, and a red arrow points to it from the right side of the page.

If you are registering your child or someone else for the program, please click "I'm registering my child or someone else".
