

Sierra Vista Soccer Club Coach & Manager Registration Fall 2019-2020

1. All registration is online. The process includes concurring with mandatory AYSA policies and submitting a new annual background check. Approval of the background check is required to coach or manage.
2. You must have the username and password for your existing coach account before you proceed. Every previous coach already has a Got Soccer coach account. Please do not create duplicate accounts. These have to be manually merged by the registrar and some of your information may be lost.

If you don't know your coach account credentials, follow one of these processes.

- a. Go to https://www.gotsport.com/asp/users/login_menu.asp?tab=member and follow the hyperlink under "Teams and Team Officials" for either "Coach Account Lookup" or "Manager Account Lookup".
- b. If you don't have access to the email address used previously, contact the SVSC registrar at registrar@svsoccer.net to update your email address or have your password reset.

If you have a both a coach and manager account, these are linked and you just need to register once with the coach account. You only need to do one background check.

3. If you have not coached or managed soccer in Arizona, fill in the "New Users" box. A new account will be created.
