Non-Board:

*Vote On Board Minutes = Romo accepts, Chelsea seconds it...all in favor, Yes.

Uniforms to travel come to \$1500 for a home and away jersey, 36 kits. Talked to hospital to see if we can get an answer by Wednesday. Spoke to Mandy Gold about giving money from last season for futsal and not getting recognized. City team Jerseys \$1300. Place the order ASAP.

Larrabee- Nothing to report

Smith- Nothing to report

Serena (per Romo)- 501C was setup several years ago she submitted to get all that setup. We should be getting back all the paperwork to file for last years taxes. Working on sponsors on her end.

Aja- The grocery store on post...could the girls work there and make tips? She will check with the store.

*New Business =

- Tucson Premier League- Concern with Arizona Alignment changes. They were having issues with people signing up. To go to PCJSL you have to be apart of a certain club. If you guys can't play with Tucson Premier then they could play Pima County Serf. We would have to change our name. Romo is not a fan so we will see what to do about that. We will know within the next 2 weeks. Strikers Cup in September possibly for 11s and a phoenix one for 10s.
- Updates on UPSL team- Getting ready for schedule for next week.
- *Open To Public* = Nothing

*Meeting Adjourn at 6:40pm

Next meeting is September 26th @5:30pm
